

SCHOOL DISTRICT NO. 27 (CARIBOO-CHILCOTIN)

COLUMNNEETZA JUNIOR SECONDARY

1045 Western Avenue Williams Lake, BC V2G 2J8

250-392-4158

2025-2026 School Year

Dear Parents/Legal Guardians:

At Columneetza Junior Secondary, we strive to create many experiential learning experiences, and many classes try to get outside each week to do just this.

Many learning experiences take us off school grounds. This permission slip is for you to sign off on any walking field trips throughout the year that your child will be part of with their class. Walking field trips may involve crossing busy streets and crossing at corners or crosswalks; there are risks when walking. Your child may injure themselves by falling, twisting an ankle or they could potentially get injured from vehicular traffic. Other risks include insect bites, encounters with animals and exposure to weather. Supervisors will do everything to create safe trips for your child.

Off school grounds walking field trips may include the following destinations: the Dairy Fields, neighbourhood fit runs in PE, downtown Williams Lake, Nesika, TRU, and the general neighbourhood. The teacher will let you know of any off school grounds trips your child embarks on before they occur.

Any field trips that necessitate transportation to and from the event or involve activities or conditions other than set out in this form, will continue to have a separate permission slip.

If you have any questions, please don't hesitate to contact the school. Please have your child return the form to their A-Block Homeroom teacher as soon as possible.

To complete the form, please print clearly and include your signature:

Walking Field Trip Permission Form – Columneetza

Student's Full Name: _____

Grade: _____

I _____ give my child _____

permission to go on walking field trips with their class throughout the 2025-2026 school year.
